

FLOURISHING LEADERS

flourishmovement.org

Flourishing Leaders is a journey to embark on with your fellow church leaders (elders, lay leaders, committees, staff) to facilitate your Spirit-led transformation as a leader, and reveal more effective ways to lead a flourishing church together. This resource is designed to be more than just informational, but can help you recalibrate your leadership teams, centered on being connected with Christ as you make decisions as spiritual leaders. We have individual growth exercises, communal experiences, and practical teaching grounded in theology to help your leadership team understand how God wants you to lead.

This journey requires an open mind and heart, leaving behind “how we have done it for decades,” and being open to leading the church in new ways. In ECO we believe that our primary call as church leaders is to abide in the Lord’s presence and invite others to join us there, which forms the foundation of a flourishing church.

Over the course of Flourishing Leaders, you will ask and answer three main questions:

WHO AM I?

- Preparing for spiritual leadership
- Biblical definitions of leadership
- Jesus’ way of leading
- Creating your Spiritual Autobiography

WHAT AM I LEADING?

- Your church culture
- Mission of God
- Building people not programs
- Whole-life replication of Christ
- Ministry inside and outside the church

HOW DO I LEAD EFFECTIVELY?

- Leading with Prayer & the Holy Spirit
- Identifying God’s presence for discernment
- Understanding our Post-Christendom culture
- Committing to multiplication and replication of God’s mission
